

## MASHED POTATO LAYER BAKE

(The first dish gone at the pot-luck,  
and everyone wanted the recipe!!)

- 4 large white potatoes, peeled and cooked
- 2 large sweet potatoes or yams, peeled and cooked
- 1 -250 gram tub chive and onion cream cheese, divided
- ½ cup sour cream, divided
- ¼ teaspoon salt
- ¼ teaspoon pepper
- ¼ cup Parmesan cheese, grated, divided
- ¼ cup Cheddar cheese, shredded, divided

Preheat oven to 375° F. Place white and sweet potatoes in separate bowls. Add half of sour cream and cream cheese to potatoes in each bowl, season with salt and pepper. Mash until creamy. Stir half of Parmesan cheese into white potatoes, and half of Cheddar cheese into sweet potatoes. Alternately layer potatoes and sweet potatoes into a medium clear casserole dish. Bake 15 minutes. Sprinkle with remaining cheeses and bake 5 more minutes or until cheese is melted. Makes 14 servings - ½ cup each.

Lead me not into temptation. I can find it myself.
